## SUMMARY

A future-focused IT professional with hands-on experience in IT support, web development, and AI-based solutions, aligned with the fast-evolving technology landscape of the UAE. I am highly adaptable, continuously upgrading my skills to meet modern business and digital transformation demands. Known for rapid learning, problem-solving, and working efficiently with emerging technologies, I bring value beyond routine tasks by integrating innovation, automation, and smart systems into daily operations. I aim to contribute to organizations that prioritize growth, efficiency, and technological advancement.
